

Larsen Winchester Sanitary District Special Meeting 8-20-15

The Commissioners met for a special meeting at the home of Betty Nelson to sign the 2014 CMAR and to possibly hire a company to do the mowing. Present were Mike Pfankuch, David McNamee, Mike Kinney, Betty Nelson and Mark Caswell and Matt Harris from Treeo's Tree Service.

A motion had already been made and carried at the 8-12-15 to accept the 2014 CMAR so all it needed now were signatures of the Commissioners. They all signed the resolution.

Representatives from Treeo's Tree Service came to present their mowing proposal to the Commissioners. They thoroughly explained the exact things that they covered. They would charge \$170.00 per cutting. This is higher than what Bohm's charged but they would also be doing a lot more work. Each brush cutting would be \$225.00. They would also cut around the lift stations as needed. They would keep track of this and would not have to be contacted each time it was needed. They would use Round Up only under the fence when needed. They noted that all the area should be able to be mowed but it has not been done for so long that it will take a while to get it so that it can be mowed as it should be. They explained in detail just what a "cut" includes. After much discussion a motion was made by Mike Kinney and seconded by Mike Pfankuch to hire Treeo's Tree Service to do the mowing for the Sanitary District. Motion carried unanimously.

A motion was made by Mike Kinney and seconded by Mike Pfankuch to pay Treeo's today for the trees they were hired by the District to cut. This job is already complete. Motion carried unanimously.

A motion was made by Dave McNamee and seconded by Mike Pfankuch to adjourn. Motion carried unanimously.

Respectfully Submitted:  
Betty Nelson - Secretary/Treasurer

A handwritten signature in cursive script that reads "Betty Nelson".
