

The Administration updated the Green Space Committee and the following members of the ClaytonFest Committee on the Town Board's actions:

Laurie Behm (4-H)
535 Riverview Dr
Winneconne, WI

Jeremy Jesse (Clayton/Winchester Fire Dept)
5154 Couty Rd II
Larsen, WI 54947

Vern Rieckmann
7680 North Oakwood Avenue
Neenah, WI 54956

Kay Lettau
3795 CTR II
Larsen, WI 54947

Rev. Paul Meier
8886 Center Road
Neenah, WI 54956

Staff reviewed the Board's approval of delegating the planning activities for the ClaytonFest event to the Drifters Snowmobile Club (Drifters). The Town would still sponsor the event and receive 25% of the net revenue generated by the Drifters. The Drifters will plan and staff the event, municipal staff will be limited to support activities and providing the cleared and cleaned areas for the event. The Committee and the Administration provided Laurie Behm of the 4-H Club with several contacts for soliciting funding for the bouncy games and other related activities. The Committee was also advised that the Drifters would like to hold a Grand Opening for the new Town/Fire Hall with tours and a meal available for sale for the residents who attend. Staff also indicated that the local Historic Society has story boards available that could be used to show pictures of the Town through time.

- B. Green Space Committee review and recommendation to the Board on a request to construct a Frisbee Golf Course at Clayton Park.

The Administration distributed a short article on Frisbee Golf recently published in the Oshkosh Daily Northwestern Newspaper. Some Committee members have reservations regarding the compatibility of Frisbee Golf and the ball diamonds in Clayton Park. The Committee suggested that a Frisbee Golf Course could be constructed on the future Noffke Park site as it is developed.
